The notice of termination may also be given orally and shall take effect upon its receipt by the Tenant.

In the event of early termination of this Contract by the Landlord due to a breach of the Tenant's obligations, or in the event of early termination of the lease by the Tenant's decision, the latter shall not be entitled to a refund of the Rent or any part thereof or of any other payments made by the Tenant in connection with this Contract nor to receive any other compensation.

2. On the date of termination of the lease, the Tenant is obliged to vacate the Property and to hand it over to the Landlord in the condition in which it was taken over, taking into account reasonable wear and tear. In the event of loss of the key, the Tenant shall pay the Landlord a lump sum compensation of CZK 800,- at the end of the lease at the latest.
3. The Contracting Parties shall draw up a record of the handover and takeover of the Property in the form of a handover protocol with the details and description of the state of affairs, including the condition of the utility meters and the description of the condition of the equipment and the Property, signed and dated by themselves or their authorised representatives. Upon signing the handover report, the Tenant shall pay in cash the amount for the electricity consumption in the Property, based on exact calculation from the relevant meter reading. The risk of damage to the Property shall pass onto the Landlord only upon the execution of the handover protocol signed by both Contracting Parties.
4. Should the Tenant fail to comply with the obligation to vacate the Property and hand it over to the Landlord by the date of termination of the lease under this Contract, the Contracting Parties agree on a contractual penalty of CZK 3,000 for each day of the Tenant's delay in fulfilling this obligation. This agreement shall not prejudice to the Landlord's right to compensation for damages caused by the breach of this obligation by the Tenant up to its actual amount.

X. Final provisions

1. The rights and obligations not expressly provided for in this Contract shall be governed by the laws of the Czech Republic, in particular the provisions of the Civil Code
2. If any provision of this Contract is at any time held to be invalid, ineffective or unenforceable, such fact shall not affect the validity, effectiveness and enforceability of the remaining provisions of the Contract. If a part of this Contract ceases to be valid as a result of a change in the law or a new interpretation of the law, the Contracting Parties undertake to supplement that part without delay in accordance with the principles and intent of this Contract.
3. This Contract is executed in two counterparts, of which each of the Contracting Parties shall receive one copy.
4. The Contracting Parties agree that the lease right negotiated under this Contract shall not be entered in the public register kept by the relevant Land Registry.
5. The stipulation of contractual penalties in this Contract shall in no way affect the rights of the entitled Contracting Party to compensation for damages arising from the breach of the obligations to which the contractual penalty relates, nor any other claims of the Contracting Party arising from this Contract or from applicable law. The provisions of Section 2239 of the Civil Code shall not apply to contractual penalties after termination of the Contract.

Preliminary provisions.

The Landlord declares to be the owner of the plot no. st. 95 in the cadastral area of Horní Chobolice, whose integral part is the building no. 28 - a building for family recreation, including all its accessories, parts and equipment (hereinafter referred to as the "Real Estate") and is entitled to lease the Real Estate for the purpose of short-term recreation. The Real Estate is leased as a whole.

II.

Description of the Real Estate and its equipment.

The Real Estate serves for recreational purposes, the maximum capacity is 8 people including children. The subject of rent includes a garden and other area. On the fenced parking lot at the Real Estate is possible to park a maximum of 4 cars (caravan), in front of the house one additional car can be parked. A more detailed description of the building and garden facilities, including photographs, can be found on the website: geltschberg.com and in the handover protocol. The landlord guarantees the above equipment and facilities.

Smoking, the use of drugs or other psychotropic substances, excessive drinking of alcoholic beverages, the storage of highly flammable or explosive substances, the lighting of fires outside the fireplace stove and outdoor grill are prohibited throughout the property.

III.

Contractual relationship formation.

According to the Civil Code, the contractual relationship between the landlord and the tenant seeking a recreational stay, takes the form of a short-term lease between the landlord and the tenant (the person interested in the recreational stay). The contractual relationship is governed by these general contractual terms and conditions, the lease contract, which includes a protocol of handover and acceptance of the subject of the lease, the house rules and the relevant provisions of Act No. 89/2012 Coll., the Civil Code, as amended. The general contractual terms and conditions, the house rules and the model of the lease contract are available on the website www.geltschberg.com (hereinafter referred to as the 'website').

The tenant can only be a person with legal capacity over the age of 18, who is responsible for the performance of the contractual relationship and for compliance with the relevant rules also by the persons using the Real estate together with him/her.

The contractual relationship between the landlord and the tenant is established at the moment of crediting the advance payment at the due date to the landlord's bank account, consequently the landlord reserves the Real Estate for the requested stay dates so that it is fully available to the tenant. **By paying the advance payment of the rent, the tenant confirms his/her express and unconditional agreement to the wording of the General Contractual Terms and Conditions, the House Rules and the Lease Contract and to its conclusion, as well as to the price conditions, including cancellation fees.** Upon arrival, the Tenant is obliged to present to the Landlord or the person authorised by the landlord his/her valid identity document as well as the identity documents of all persons who will be using the Real Estate with him/her.

In the event of failure to do so, the landlord shall be entitled not to hand over the Real Estate to the Tenant, in which case the lease shall be cancelled without compensation and the Landlord shall be entitled to apply the cancellation fees pursuant to Article V.(c) below of these Terms and Conditions.

If the tenant arrives with more persons than the maximum permitted capacity of the Real Estate (i.e. 8 persons, including children), the landlord is expressly entitled to refuse such persons or to require a special refund (additional payment) payable on signing the Lease Contract.

IV.

Prices and payments.

After sending the order, the tenant will be contacted and provided with payment details (account number, variable symbol) for cashless payment of a deposit/advance payment of 50% of the rent according to the price list on the website or by prior written agreement/offer.

The deposit/advance payment is due and payable within 5 working days after booking.

Upon receipt of the deposit/advance payment, the landlord will confirm the reservation to the tenant by e-mail. The balance of the remaining 50% of the rent according to the price list on the website is due no later than 30 calendar days before the agreed start of the lease.

If the tenant fails to pay the deposit by the due date, the reservation is cancelled without further notice and the landlord is free to consider the requested stay dates available for another tenant.

Upon arrival on the day of the start of the lease, the Lease Contract and handover protocol will be signed. Details of the contractual relationship are set out in the model Lease Contract published on the website. The rental price includes the stay for the agreed period, bed linen, towels, firewood, recreation and accommodation fee to the municipality. The rent does not include the consumption of electricity, which the tenant agrees to pay to the landlord on the day of the end of the lease according to the actual consumption established when the Real Estate is handed back to the landlord.

V.

Cancellation fees.

In the event that the tenant, after the payment of the deposit/advance payment or the rent in full pursuant to these Terms and Conditions, cancels the lease, fails to present himself/herself at the agreed start of the lease or for any reason on the tenant's side, the lease does not take place (all of the foregoing referred to as "cancellation of the lease"), the contractual relationship shall be deemed terminated and the tenant shall be entitled to a refund of a pro rata portion of the deposit/advance payment paid, less the cancellation fee set forth below depending on the date of cancellation:

- a) 60 days or more before the agreed start of the lease cancellation fee of 0%, the deposit/advance payment will be refunded in full;
- b) 59 to 30 days prior to the agreed start of the lease cancellation fee 50% of the deposit/advance payment paid, the remaining half of the deposit/ advance payment paid and any balance paid will be refunded,
- c) 29 days or less before the agreed start of the lease..... cancellation fee 100%, the entire deposit/advance payment paid will be forfeited, any additional payment made by the tenant will be refunded.

Cancellation of the lease must be made by the tenant in writing to the following e-mail address of the landlord: info@geltschberg.com, unless otherwise agreed.

The date of receipt of the tenant's e-mail about cancellation of the lease is decisive for the calculation of days according to the above-mentioned provision.

The landlord is entitled to use the paid deposit/advance payment to settle its claims against the tenant representing the cancellation fee and to set it off unilaterally against the tenant's claim for the return of the deposit after the termination of the contractual relationship, to which the tenant expressly agrees.

The tenant undertakes to pay the cancellation fee referred to in point c) above to the landlord even if the lease does not take place within 6 hours of the agreed start of the lease; in such a case, the lease shall be cancelled without compensation, unless the parties agree otherwise in writing.

The parties further agree that in the event that the tenant fails to pay the balance of the rent when due, this shall be deemed to be a cancellation of the lease by the tenant with all the consequences set out above. In the event that the tenant terminates the lease by his/her own choice before the agreed termination date, he/she shall not be entitled to any compensation.

VI.

Lease dates.

The Real Estate can be leased for the periods listed on the website www.geltschberg.com. On the day of commencement of the lease, before arriving at the Real Estate, please call (at least 60 minutes in advance, phone number +420 777 944 120).

VII.

Pets

Upon agreement, approved pets of a reasonable size can be accommodated in the Real Estate, and the tenant is responsible for their behaviour and cleanliness. The landlord will charge a fee of 50,- CZK / day for each pet.

VII.

Claims.

The landlord is responsible for the accuracy of the information provided on the website regarding the location, facilities and equipment of the Real Estate. If the tenant and his/her guests are prevented from using the object of the lease to the agreed extent for reasons not attributable to them or if the quality of the lease does not correspond

significantly to the agreed conditions, the tenant has the right to make a complaint. The tenant may only make a complaint during the expected period of stay. A record of the complaint will be made and signed by the landlord and the tenant. The validity of the complaint will be assessed by the landlord and, if the landlord finds it justified, the tenant is entitled to a refund of a reasonable part of the rent, or the tenant and the landlord may agree on other compensation, e.g. a discount for a future stay, etc.

VIII.
